The Goal for the Highway Department is to get out before the school buses in the morning, and then to address the weather event, during the day and before the evening commute home. All weather events are unique and will have to be addressed accordingly, the four plow routes are the norm, but breakdowns and availability of the crew may alter the plan. Thank you for the privilege of serving the taxpayers of Triangle.

Broome County would like to post notice that chapter 214 of Town Highway Law allows for \$100.00 penalty for depositing snow and ice on any road or highway. This means no plowing or snow blowing snow onto roadway or highway. Article 8 Section 214 of the Highway Law: Depositing ashes, snow, ice stone, sticks, et cetera upon the highway- Any person who shall deposit or throw loose stones in the gutter or grass adjoining a town Highway, or shall deposit or throw upon a highway: ashes, papers, snow, ice, stones, sticks, or other rubbish, shall be liable to a penalty not to exceed one hundred dollars to be assessed by and recovered by the Town Superintendent. No stone or other rubbish shall be drawn to and deposited within the limits of any highway, except for the purpose of filling in a depression or otherwise improving the highway, and only with the written consent and under the direction of the town superintendent.

Highway Law Section 319 Article 11: Municipalities are not responsible for damage to any mailboxes, check with your local Post Office for rules and regulations on rural routes. All Municipalities will strictly enforce the no parking ordinances for Snow Removal.
